Welcome to Primary Playdate!

Hi Teacher,

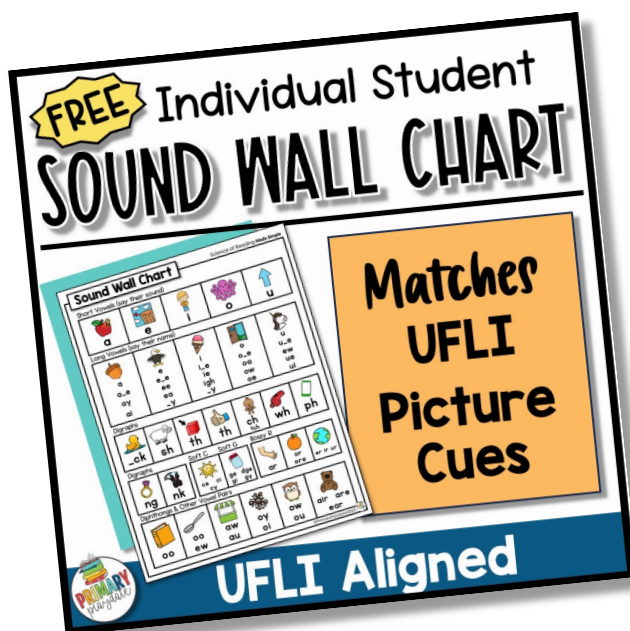

I'm so glad you grabbed this UFLI Heart Word Freebie! I hope it helps you organize and plan your UFLI instruction for the year.

The first thing I do when I get a new curriculum is sit down and chart out all the things so I can see what I'm teaching at a glance, so I wanted to share it with you.

I'm always creating new resources for my first graders to make my instruction more effective, engaging and EASY! I need it to be EASY! And by easy I mean organized, prepped, and ready to teach.

When I started teaching with the UFLI Foundations I couldn't help but create a bunch of resources to make the UFLI Lessons more fun, help my kids practice new concepts, and to help ME stay organized.

I love sharing these resources with you. I really hope they help make your teaching FUN, EFFECTIVE, & EASY, too. Below are my 2 favorite *FREE* resources I've made for my students. You may find them useful, too. Take a look!

Happy Teaching!

Erin
